Travel

Karate

PROFILE

Enthusiastic and detail-oriented Software Engineering graduate with a strong foundation in Java, C++, SQL, and web development technologies such as HTML, CSS, and JavaScript. Proficient in version control using Git and GitHub, and adept at leveraging Excel for data analysis. Demonstrated ability to design and implement software solutions with a keen eye for detail and a commitment to delivering high-quality results. Eager to contribute my technical skills and passion for problem-solving in a dynamic software development role.

INTERNSHIP EXPERIENCE

Front-End Developer

Sofelit Solution LTD.   DEC 2023 - JAN 2024

- Assisted the development team in developing and implementing new features for a web-based application.
- Collaborated with senior developers to debug and troubleshoot issues in the codebase.
- Participated in code reviews and actively contributed to agile development processes.

PROJECTS

Book Management System

Built using Java and SQL

Personal Portfolio Website

Built using HTML,CSS and JavaScript

Attendance Tracker System

Built using Excel

CERTIFICATION & OTHERS

- TCS certified in Communication Skills
- NPTEL certified in Effective Writing
- Attended workshop on Artificial Intelligence
- I engage in coding on platforms such as HackerRankand Leetcode
